Thunderbird School of Global Management
Petition Course Overload

**Fall and Spring Semester Credit Hour Load.** A minimum full-time course load for an undergraduate student is 12 credit hours. The maximum course load for which a student may register is 18 credit hours. A student wishing to register for more than the maximum must petition the standards committee of the college in which the student is enrolled and must obtain an approved overload prior to registration.

**Summer Session Semester Credit Hour Load.** The summer session credit hour load limit is 7 credit hours for each six-week session, 9 credit hours for the eight-week session, and may not exceed a total of 14 credit hours for any combination of sessions.

Fall and spring semesters offer three sessions: Session A (1st 7.5 weeks), Session B (2nd 7.5 weeks) and Session C (15 weeks). The maximum course load is 9 credit hours in Session A or Session B, or 18 credit hours in Session C; or a combination that does not exceed 18 credit hours (e.g. 3 credits in Session A combined with 3 credits in Session B would leave a student a maximum of 12 credits in Session C in which to register).

This petition is for Thunderbird School of Global Management Majors only.

- You must submit a new petition each semester you wish to take an overload.
- Non-degree seeking undergraduates are not eligible for overloads except when necessary for ASU summer study abroad.
- Approval of an overload does not imply that the college will approve requests to late add a course.

*Overloads for summer are restricted to students completing internships or individualized instructions only.

- These are the minimum criteria for approval; additional factors may affect your application.
- Permission to take an overload is a PRIVILEGE, not a right.
Step 1: Read the instructions and petition completely.

Step 2: Fill out the petition completely. Petitions will be returned without review if they are illegible, incomplete, or incorrect.

Step 3: Attach a copy of your unofficial transcript (either electronic or paper if you are submitting it in person).
   - Go to my.asu.edu, and under the “my classes” section, select “Grades & Transcripts”. Select “Transcripts & Test Scores”. Select “unofficial transcript” from the drop-down menu. Click “View Report” and print or save the PDF file.

Step 4: Provide additional required documentation
   - If you need this overload to graduate by a certain date you must provide a DARS report which clearly shows that approval of the overload petition will allow for completion of all requirements.

Step 5: Submit the petition (page three of this document) to the Thunderbird Program advisor at UGAdvising@thunderbird.asu.edu. The decision may take up to 5 days.

Step 6: You will be contacted by email once the overload has been reviewed and either approved or denied.
