ABOUT

Freeport-McMoRan:

• A premier U.S.-based natural resource company, headquartered in Phoenix, AZ
• The world’s largest publicly traded producer of copper; ranked 156 on the Fortune 500
• Mining operations on four continents – North America, South America, Africa, Asia – and exploration offices around the globe
• Works openly and collaboratively with communities, governments and stakeholders to maximize positive impacts and contribute to community development

For additional information, visit www.fcx.com and www.freeportinmycommunity.com

Thunderbird School of Global Management:

• Located in downtown Phoenix, Arizona, Thunderbird was founded in 1946 with the visionary belief that business can be a force for positive social and economic change
• More than 70 years of experience in developing leaders with the global mindset, business skills and social responsibility necessary to create sustainable value for their organizations, communities and the world
• Mission: “We educate global leaders who create sustainable prosperity worldwide”

For additional information, visit www.thunderbird.asu.edu

Thunderbird for Good:

• Created in 2005, the Thunderbird for Good mission is to “create prosperity through business education for all”
• Thunderbird for Good works to tear down barriers to management education programs that support business women and men who otherwise would not have access to top quality training
• Develops key partnerships with business, government and non-profit organizations, including mentors, sponsors, and volunteers from all over the world
• Has trained more than 143,000 women and men from 73 countries on four continents since 2005
